Principal's Message

“Success comes to those who work hard and stays with those, who don't rest on the laurels of the past.”

We live today in a world that is so very different from the one we grew up in, the one we were educated in. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of education. Are our schools well equipped to prepare our children to face the challenges that the future holds?

Questions such as these are factors that motivate us to go through a continuous process of reflection and hence we at SVM work at implementing a well balanced curriculum to ensure that the children who walk into the portals of our school will not just love their school years but truly be prepared to face life's challenges.

“Children must be taught how to think, not what to think”. And to enable this, our motto of knowledge, imagination and innovation is encouraged through a holistic approach.

“TO motivate the weak, to address the average and challenge the Gifted” is the teaching vision of our school.

A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. It is natural to find in this ambience, the intensive use of a variety of thinking activities so that the classroom becomes alive.

Teamwork is the hallmark of SVM, I am very sure; through collaborative efforts we can achieve more to benefit our students who are the future leaders of tomorrow.

With Sincere And Warm Regards.

About Vidya Mandir

Before independence, National Heritage was under foreign influences. Indian culture had been uprooted. We attained freedom in 1947 to re-establish Indian system, after dedication and making only goal to become free. Macaulay's education system was imposed on nation. Being independent, the soul of mother India was confiscated in the fetter of slavery. Being inspired by national feelings, the great men started "Saraswati Shishu Mandir" education planning by which not only entire India but also the whole world is obliged to this education system and national feelings. In this series Vidya Mandir Sikshan Sansthan, Aryanagar, Gorakhpur is also engaged to contribute in mega nation building plan since 13 July, 1964. If the goal is clear of any person, society or nation success automatically comes to such person/institution. Same is happening to Vidya Mandir Shikshan Sansthan, Aryanagar, Gorakhpur.

Vidya Mandir Shikshan Sansthan has some what attained from the society, tried to return back to the society as much as possible. Today, where economy based administration system is advocating about "economy" from human being, there we are engaged to mould good characters and to regulate the persons mind. Hither to, we were feeling incapable to contribute in development due to insufficient means. But we were feeling the grief of society. Your love and affection has made us capable to contribute in development of nation and society.

At present we are providing education for boys till intermediate (Hindi & English medium U.P. Board) and for girls from class 1 to Post graduate classes, (from class VI to XIIth Hindi & English medium U.P. Board).

At Rahmat Nagar (Maniram) Gorakhpur a BTC Centre is also providing teacher education successfully. The people of Gorakhpur region were always demanding the education on NCERT pattern with discipline of Indian tradition. We were also feeling deficiency of this pattern because the christian Missionaries are in dominant position in this area and they are imposing their own rules and regulations against Indian culture. Therefore, We decided to start the NCERT pattern affiliated to Central Board of Secondary Education, New Delhi.

In session 2015-16 we started NCERT pattern Education, to be affiliated from CBSE Board, New Delhi, at Chiutaha, Maniram, Gorakhpur, with Junior Classes Nur - VIII. Now we are a CBSE affiliated Senior-Secondary institution with Classes Nur - XII having affiliation No. 2132772

In this journey of commitment towards excellence, by the grace of almighty: we proudly announce for the opening of yet another branch of SVM Public School with classes Nur to 8 (to be affiliated to CBSE); at Ekla No-2 Hatwa tola, Medical college Road, Gorakhpur From upcoming Session-2025-26.
